EDUCATION

- 📅 2025/09–2026/06 M.Sc. in Artificial Intelligence and Business Analytics
Lingnan University 📍 Hong Kong
» Courses: Computer Vision, Deep Learning, Big Data Analytics, Generative AI.
- 📅 2021/09–2025/06 B.Eng. in Electronic Information Engineering
Hanshan Normal University 📍 Guangdong, China
» Courses: Artificial Intelligence, Python, C++, ORACLE, STM32.

PROFESSIONAL EXPERIENCE

- 📅 2025/02–2025/06 Artificial Intelligence Engineer (Intern)
China Mobile (Zhuhai Branch) 📍 Guangdong, China
» Designed and deployed privatized AI auditing workflows based on LLMs via Dify.
» Deployed DeepSeek-7B & Qwen2.5-VL locally; achieved OCR automation via RAG.
- 📅 2024/08–2024/08 Junior FPGA Engineer (Intern)
Guangdong SeerTech Network Tech Co., Ltd. 📍 Guangzhou, China
» Developed and simulated baseband processing products using System Verilog.
» Assisted in product testing and analyzed AI algorithm implementation on FPGA/Chips.
- 📅 2023/12–2023/12 Pre-sales Technical Support (Intern)
Hangzhou DPtech Technologies Co., Ltd. 📍 Hangzhou, China
» Supported sales team with technical solutions for enterprise clients and product demos.
» Translated complex technical parameters into clear business values for clients.

HONORS & AWARDS

- » **National 2nd Prize**, Google & SCUT Computational Thinking Competition
- » **3rd Prize**, 19th Guangdong Youth Robotics Competition (High School Div.)
- » **1st Prize & Best Construction Award**, 1st Zhuhai Youth Robotics Competition
- » **Grade A (91-100)**, Fintech & Business Application Program, CUHK

CERTIFICATIONS & TRAINING

- » **Software Dev. (Advanced)**, Ministry of Industry and IT (MIIT) | 2024
- » **Generative AI (AIGC)**, China Info. Industry Association (CIIT) | 2024
- » **Fintech & Business App Program**, CUHK | Mar 2024

LANGUAGES & SKILLS

Mandarin: Native (Level 2, Grade A)

English: Fluent (IELTS: 7.0)
